Social innovation consultancy looks for talent

Founded in 2010, LeFil Consulting (www.lefilconsulting.com) specializes in the identification, design, growth and replication of innovations that create social and economic value, sustainably and at scale. We work for start-ups and large corporations, donors and NGOs, as well as governments and their constituencies, and have expertise across a broad range of sectors and geographies.

We are expanding our team and are looking for an intern, starting in February 2024, latest March 2024. The position is for a minimum of 6 months, and could evolve into a permanent Analyst position, in case the candidate displays strong abilities. The ideal candidate should have:

- Strong appetite to put the best of his/her brain and energy to creating positive social impact and inclusiveness, particularly through market-based approaches
- Solid analytical and problem-solving skills
- Flexibility and curiosity to work on a wide range of tasks and topics, under shifting priorities
- Bachelors diploma at the minimum; superior grades preferred
- Fluency in English and Spanish (spoken and written) is a must
- Ideally, some experience in working in developing countries and/or social development issues
- Prior consulting experience is a plus.

Finally, we like to run LeFil with a start-up mindset: dynamic, agile, driven by initiative and enterprise. Applicants should enjoy working in small teams, with all the advantages (and disadvantages) that this entails.

The applicant should be based in Zurich or be ready to relocate after 3 months at the latest, and should have a valid working permit for Switzerland. We do not sponsor work permits.

We offer flexible working arrangements. The internship is paid, it is however lower than what more established companies or corporates would offer. Limited travelling required.

If you wish to explore this opportunity, please send your CV (please do NOT include a picture on your CV) and cover letter to recruitment@lefilconsulting.com, no later than **January 10, 2024**.

We look forward to hearing from you!
